

BESTARM

ENGINEERING FIRM

Sherbrooke, October 24th 2008

To all selected firms :

We have the honor to request your participation in the contest organized our company to design and build a prosthetic arm.

This contest is open to young designers and engineers working in this field.

Your group has been highly recommended to us for its creativity and it is with pleasure that we will send the technical file if you agree to participate you.

Lehcim Niamreg

Project Manager
